The international interactive magazine for the blind

Calling all TN Editors...

Introduce your listeners to the interactive world of Soundaround, the original sound magazine for the blind established in 1975. Here's what our listeners say: "It's like joining a family" • "we love your programme" • "may I thank you for the brilliance of Soundaround" • "An absolutely great magazine!".

What's in Soundaround?

News • Viewpoint • People Spot • Cookery • Gardening • Our Voice of America • Legal Advice • Technology • Fashion • Celebrity interviews • Talent contest • Roving Reporter • Market Place & Help Line • Competition • and our long running soap opera.

Soundaround is tone indexed for easy navigation
